Description

Ferretti Yachts 860, built in 2023, is a contemporary 88-foot motor yacht that perfectly balances high-performance cruising with refined Italian luxury. Designed for owners who value speed, comfort, and effortless family cruising, this yacht delivers an engaging on-water experience while maintaining the elegance expected from Ferretti Yachts. Located in Malta and flying the Malta flag, she is ideally positioned for Mediterranean cruising and island hopping.

Main Features

- Ferretti Yachts 860, delivered in 2023 and presented in modern, lightly used condition
- Twin MAN V12 engines with 2 x 2000 hp and only 300 engine hours
- Fast cruising speed of 28 knots with a top speed of 32 knots, ideal for efficient island-to-island cruising
- Approximate range of 800 nautical miles, combining performance with long-distance capability
- Equipped with both fin stabilizers and a Seakeeper gyroscopic stabilizer for exceptional comfort underway and at rest
- Bow thruster and stern thruster for precise and stress-free maneuvering
- Hydraulic swim platform and hydraulic bathing platform for easy water access and tender handling
- Full air conditioning throughout, designed for Mediterranean summer use

The Ferretti Yachts 860 is a high-performance flybridge motor yacht conceived for owners who enjoy fast, comfortable cruising without compromising on interior volume or outdoor living. With an overall length of 26.95 meters and a deep V hull, she delivers confident handling and impressive seakeeping, even at higher cruising speeds. Her generous beam of 6.22 meters creates a spacious interior environment that feels larger than her class suggests.

Powered by twin MAN V12 2000 hp engines, this Ferretti 860 cruises comfortably at 28 knots and reaches a maximum speed of 32 knots. The combination of fin stabilizers and a Seakeeper gyroscopic stabilizer significantly reduces roll, enhancing comfort both underway and at anchor. Bow and stern thrusters further support easy handling in tight marinas and busy harbors.

Accommodation is provided for up to 8 guests in 4 well-appointed cabins, including a full-beam master suite, a VIP cabin, and two guest cabins. Each cabin is designed for privacy and comfort, supported by refined finishes and modern systems. Separate crew accommodation for 3 in 2 cabins ensures professional service and privacy during extended cruises.

Outdoor spaces are a defining feature of this yacht. The teak-laid cockpit flows seamlessly into the interior, while the flybridge offers generous seating, sunbathing, and social areas. The hydraulic swim platform transforms every anchorage into a private beach, ideal for swimming, water toys, or relaxed afternoons by the sea.

Detailed Specifications

A. Main Characteristics

- Model: Ferretti Yachts 860
- Yacht Type: Motor Yacht, Flybridge
- Year Built: 2023
- Location: Malta
- Flag: Malta
- Hull Material: Fiberglass
- Hull Shape: Deep Vee
- Length Overall: 88.42 ft / 26.95 m
- Length at Waterline: 78.58 ft / 23.95 m
- Beam: 20.42 ft / 6.22 m
- Draft: 6.83 ft / 2.08 m
- Dry Weight: 158,733 lb / 72.0 t
- Gross Tonnage: 82 t

B. Propulsion and Performance

- Engines: 2 x MAN V12
- Engine Power: 2 x 2000 hp
- Engine Type: Inboard
- Drive Type: Direct Drive
- Fuel Type: Diesel
- Engine Hours: 300 hours
- Cruising Speed: 28 knots
- Maximum Speed: 32 knots
- Range: 800 nautical miles
- Fuel Capacity: 1,849 US gal / 7,000 l

C. Capacities

- Fresh Water Capacity: 370 US gal / 1,401 l

D. Accommodation

- Guest Capacity: 8 guests
- Guest Cabins: 4
- Crew Capacity: 3 crew
- Crew Cabins: 2
