FERRETTI YACHTS **INFYNITO 80** New

FERRETTI YACHTS INFYNITO 80

Exploring new horizons, the INFYNITO range of Ferretti Yachts is changing the paradigm of fast displacement vessels. The range boasts enhanced space utilization, versatile layouts, increased volume, efficient performance, and an eco-sustainable soul.

An 'end-to-end' main deck interior with an open space concept, offering nearly 360 degrees of enjoyable panoramic views. This design maximizes the feeling of spaciousness and connection to the surrounding environment, providing an ideal setting for relaxation and entertainment.

Fast displacement hull enable top speed of up to 23 knots, while maintaining efficient fuel consumption. She can achieve a range of 1,000 nautical miles at an eco cruising speed of 12 knots, ensuring both speed and sustainability.
