The 26.70m/88′ crossover yacht Sanlorenzo SX88 (2024) embodies a bold new vision of contemporary yachting, blending explorer versatility with superyacht elegance. Built by the renowned Italian shipyard Sanlorenzo, she offers generous accommodation for up to 8 guests in 4 luxurious cabins and features sophisticated interior architecture that merges open living with refined design.

Conceived as a floating beach house, the SX88 delivers seamless indoor-outdoor living with expansive decks, a multi-level beach area and panoramic sea views. With her innovative asymmetrical layout, advanced eco-efficient systems and long-range cruising capability, Sanlorenzo SX88 is designed for owners who seek freedom, comfort and uncompromising style on every journey.
