EXPERT'S VIEW

"BLOSSOM feels remarkably spacious and bright thanks to her carbon-finished electric sunroof and open saloon layout. She's both sporty and refined, stable and quiet even at 25–30 knots, yet comfortable enough for extended cruising. The aft cockpit and 3.5-metre hydraulic platform create a true "mini beach club," perfect for launching Seabobs, toys, or simply relaxing by the water. It's an ideal yacht for an owner seeking an easy-to-handle performance boat with the comfort and elegance of a small superyacht.."
